GOVERNOR-GENERAL'S CHRISTMAS PARTY

A group of HNPS students attended a Christmas party hosted by the Governor General at Admiralty House. They were treated to a sausage sizzle, face painting and amusement rides with the stunning backdrop of Sydney Harbour to admire. However, the highlight of the day was actually meeting Quentin Bryce. Monique and Monique said they were honoured to meet her, Brendon thanked her profusely on behalf of Hornsby North for her invitation, while Elizabeth looked on wide-eyed at meeting a person of such significance to Australia!
