### From the Principal...

Welcome to the final term for 2020. I think it is fitting to congratulate the entire school community on their resilience, compassion and care for each other during a time which has asked for so much from everybody. Thank you Hornsby North. I look forward to making this term an enjoyable one for the children, staff and parents. We will continue to inform parents via See Saw, the website, Skoolbag and other appropriate communication avenues of school activities and student progress.

#### PLANNING FOR 2021 -

This term will involve significant planning for 2021 and I ask parents of students who will not be returning to Hornsby North next year to inform the Principal via email or telephone. This does not include our Year 6 students. Kindergarten enrolments are now online, but parents still may call the Office to ask for an enrolment pack. Please inform parents of children who are eligible to attend school in 2021 that enrolments are open and packages are available at the school Office. Alternatively, a phone call to the Office will direct the parents to the next step.

#### COMMUNICATION -

I know communication is difficult for parents during this period of restrictions on parents and their access to school activities, but I remind parents that I am available via telephone and email. The same applies to the availability of teachers. If a matter is urgent and needs to be dealt with on a one-to-one basis, the Principal must be contacted and if a face-to-face interview is required, arrangements will be made.

At this time of the year, parents like the staff, start to plan and think about the following year. PLEASE do not write to me or the Class Teacher and ask for a particular teacher next year. It is not appropriate to assume that teachers will be on the same grades and classes next year. Parents, if you want to talk about any particular needs or concerns you have regarding your child, please call and talk to me or the Class Teacher. Teachers can not and will not promise you a particular class or teacher next year.

#### CHANGES FOR TERM 4 -

Following are some of the Department of Education changes for Term 4.

- Non-essential adults are still not permitted on school sites.
- Limited music and singing activities are permitted. Guidelines and operational requirements must be followed.
- Year 6 formals can proceed provided they occur in a COVID-19 safe way.
- Kindergarten 2021 orientation can commence, but

parents cannot participate in large groups in the classrooms.

- School excursions can go ahead, but COVID-19 Guidelines must be adhered to. Phone calls to venues where the school had a booking state that they will only take groups of 20, so I think it will be difficult for any groups of students to attend.
- End of year Assemblies are still under consideration. I will let parents know as soon as I receive notification.

#### SCHOOL CANTEEN -

There is good news! From tomorrow, Thursday 15 October, the school Canteen will be almost back to normal. Operations will be ...

- \* Recess and Lunch can be ordered before school over the counter.
- \* Munch Monitor can still be used.
- \* Sales over the counter will be available at Recess and Lunch.

#### TELL THEM FROM ME PARENT SURVEY -

We will be closing the Tell Them From Me Parent Survey this week so that our staff can use your feedback as we prepare for the new school year and our new School Plan. If you have not already completed the survey please do so this week. You can access the survey at:

<http://nsw.tellthemfromme.com/wg6qt>

#### SCHOOL FEES -

Thank you to parents who have paid Term 4 fees so promptly. Please contact me if you have difficulty meeting these costs, as arrangements can be made for part or time payments and support can be given.

Reminder letters will be sent home in Week 3.

**YEAR 1 PIRATE DAY -**

Year 1 experienced high adventures on the sea at Hornsby North when they celebrated Pirate Day in the last week of term 3. It was a wonderful way to celebrate a term of hard

work. Well done me hearties! Year 1 Teachers.
