

## From the Principal...

Welcome to the new world of Education in Term 2, 2020. Thank you to parents and caregivers who have worked closely with the school to manage the different learning platforms for our students.

As stated in my last correspondence to the community, the Premier has announced that there will be a staged return to school in Week 3, commencing with 25% of the student population returning for 1 day per week, extending to 2 days per week in a short period after the initial return and finally with all students returning to school for 5 days per week by the end of term ready for Term 3. However, plans do change. Be assured that I will update the community as soon as I receive the latest information.

A detailed plan of the return to school phase will be sent to parents at the end of this week or at the very latest on Monday via the School website, Skoolbag or the P&C Facebook Page. Thank you once again for your patience.

Meanwhile, for the remainder of this week and for next week, students will be learning from home via See Saw or Google Classroom. Hard copies are available if students are unable to access the above programs. Parents are also reminded that students must log in each day so that they can be marked as present at school. Students who cannot log in, should contact the teacher or the school to let us know that they are working at home.

There are many changes for students, teachers and parents and many are missing the things that we take for granted, e.g. Easter Hat Parade, excursions, ANZAC Day and School Assemblies to name just a few.

The ANZAC Day Dawn Service is a special event for our School Captains and Vice Captains and I am sorry that our wonderful leaders for 2020 have missed this opportunity. However, hopefully there will be other opportunities available during Terms 3 & 4. Special thanks to Ava, our Girl School Captain who laid a wreath on behalf of Hornsby North Public School at the Cenotaph the day before ANZAC Day. Thank you Ava for your citizenship and for displaying the qualities that epitomize an outstanding School Captain.

### CHANGEOVER TO WINTER UNIFORM -

The official changeover to Winter Uniform is Week 3, Monday 11 May.

Students returning to school in Phase 1, should return in Winter Uniform.

I would like to give a special "shout out" to all our students. We miss your smiling faces, your cheeky grins and your kindness and thoughtfulness towards others. The school is a lonely place without you.

# SNAPCHAT

## Privacy

Privacy settings that are available within Snapchat are the ability to restrict who can send a user photos or videos, 'snaps'. This can be enabled by going into the Settings menu, select 'Who can send me snaps', then select 'My friends'. This will ensure only people the user knows will be able to connect with them via the application.

It is important to read the Snapchat privacy policy as it provides information about how the images and videos are stored and used. Users need to be aware that Snapchat has the right to reproduce, modify and republish photos and videos, and save them to the Snapchat servers, particularly in relation to the 'Live Story' feature.

## Snap Map

The Map allows Snapchat users to see where their friends are, as long as these friends choose to share their locations with them. Location sharing with friends via the Map is optional and is off by default; however, if you submit a Snap to Our Story, it may appear publicly on the Map in the exact location it was taken. Once you opt-in, whatever audience you're sharing with can see your live location updated, every time you open the Snapchat app, regardless of whether you send them or anyone else a Snap.

Location Sharing Options Include:

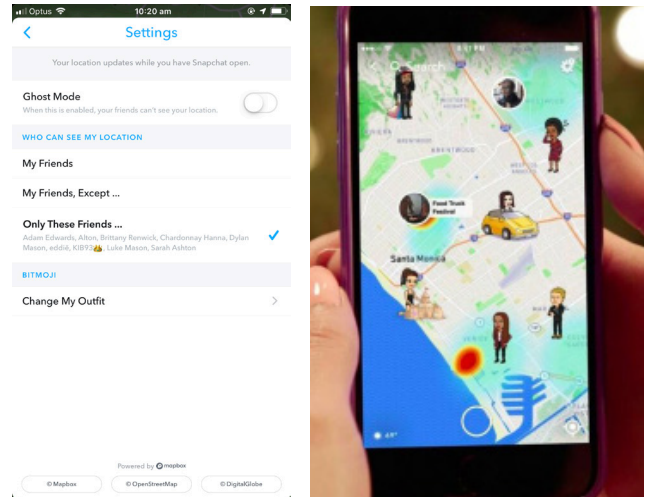

**Only Me (Ghost Mode):**

Your location won't be visible to anyone else on the Map. You can turn Ghost Mode on and off or opt to set a timer.

**Select Friends:** Choose specific friends to share your location with. Friends you select aren't notified when you choose them.

**My Friends:** Your location will be shared with all of your friends this includes friends you add in the future. This option doesn't include people who've added you as a friend, but who you haven't added back.

To edit your location settings, just tap the  button in the top-right corner of the Map screen. You can change who can see your location, or you can hide your location completely by going into Ghost Mode.

## How to block a user

- Go to your friends list.
- Hold the name of the offending user.
- Select 'More' on the menu that appears.
- Select 'Block' to stop receiving Snapchats from that person or pick 'Remove Friend' if you want to remove them from your contacts.

## How do I report abuse on Snapchat?

To report a Story on the web from your computer, click the button on the video, then click 'Report'.

Like any social media Snapchat can be a positive social activity that keeps kids connected to their friends. Just be mindful of screen time and be aware of who they are connecting with. We always encourage open conversations around privacy and personal safety.
