

## FRENCH NEWS

On Wednesday 23<sup>rd</sup> September we are having a French Mufti Day at school. Year 4-6 are encouraged to come to school looking 'French' or in red, white and blue.

In the absence of having crêpes, children are encouraged to bring a special treat from home on the day. They will enjoy a French activity in their own class with their classroom teacher.

We are celebrating a successful term at school and celebrating French - a beautiful language.
