

Intention to apply for Year 5 placement in an opportunity class

Information for metropolitan/regional applicants

Dear parent/carer

Opportunity classes cater for intellectually [gifted and high potential students](#) who may otherwise be without sufficient classmates at their own academic and social level. Students successfully placed will usually have to leave their current school to enrol in a school with an opportunity class for Years 5 and 6.

Testing and assessment

Applications for opportunity class placement are considered on the results of the Opportunity Class Placement Test alone. Students who wish to be considered for placement are required to sit the Opportunity Class Placement Test on the date shown on the following web page

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/general-information/key-dates->

How to apply

Applicants must apply online between the dates shown on the key dates page at

<https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/general-information/key-dates->

The application form can be found at

<https://education.nsw.gov.au/oc>

Parents must use their own email address and not one belonging to their child. Late applications are not usually accepted.

Parents without internet access can apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after applications open.

You must submit only **one** application for each student.

The following form is **not** an application, it is advice to the school that you intend to apply. The school **cannot** apply on your behalf.

Yours sincerely

Principal
